welcome to the gym

Fife Sports and Leisure Trust offers our gym customers a wide variety of equipment and venues across Fife in which to realise their health and fitness goals. We focus on long term sustainability and advice on lifestyle changes that promote overall health and wellbeing and establish exercise habits that promote all aspect of fitness.

“ work out in a relaxed and friendly atmosphere ”

Gaining access to our gyms (Authorised user pass)
To gain access to our gyms you must complete an induction or familiarisation session. This should take 20 to 60 minutes depending upon your level of experience.

Induction - New gym user

For new gym users we recommend a full gym induction offering you support and guidance in using the gym equipment safely and correctly as well as providing confidence and a basic programme to get you started.

Familiarisation - Experienced gym user

For experienced users we recommend a familiarisation session covering any equipment you may not be familiar with and provide you with any advice from the gym staff on your current programme should you require it.

Please contact the centre you wish to book the session at and they will arrange a time slot for you. Please note you are required to wear gym clothing and we advise to arrive 5 - 10 minutes prior to your booking.

The minimum age for gym entry is 14 years.

help us help you

What motivated you to come to the gym?

Health and Wellbeing

I want to be fit and healthy for everyday life

I have been active in the past but not recently

I am currently active and exercising regularly

Would be interested in Personal Training?

Are you a Leisure Active Member? Yes No

If No, and you would like a member of the sales team to contact you with information on how you can save money? Please here

are you ready

Physical activity is not inherently dangerous and offers many health benefits, but in order for your instructor to offer appropriate activity options please complete our Physical Readiness Questionnaire.

Please as appropriate

Yes / No

1. Has your doctor said that you have a heart condition?
2. Have you recently been told you have high blood pressure?
3. Do you have diabetes?
4. Are you currently undertaking any form of physical rehabilitation?
5. Are you pregnant or had a baby in the last 6 months?
6. Are you taking any medication which may affect your exercise tolerance?
7. Is there any other reason why you should not take part in physical activity? If yes, please specify:

No to all questions

You can be reasonably sure that you can start to become more physically active and take part in suitable induction and exercise programme or class. Remember to start slow and build up the intensity and pace of your session gradually.

YES to one or more of the questions

Speak to one of our fitness instructors who will advise you on the best course of action. This may mean contacting your doctor prior to undertaking physical activity. Talk to your doctor if you are unsure and follow his/her advice.

Gym Etiquette

Please to confirm your acceptance and understanding

- Please clear and tidy equipment or weights back in the storage area after use
- Always attach the red safety cord onto the waist band of your clothing when using the treadmills (safety cut off switch)
- Use collars at all times when using free weights
- Wear recognised fitness footwear during your workout
- Show courtesy and be respectful of other users and staff
